Dinner at Alta Vista Farm – Davis Creek will provide a pasta dinner, salad, rolls and water. Participants are encouraged to bring a desert, dish or fruit to share. This is a great time to hear Eric's perspective on eventing, young riders and pony club.						730pm Tuesday	

If there is NOT a camp next week at Alta Vista, after speaking with Mary Lowry tonight, it may be better to do the SJ portion of this clinic at Alta Vista not Flying Cross. Especially if the ground is still very hard – it may be much better to use the sand arenas (and possibly the indoor) at Alta Vista Farm. So stay tuned for the FINAL word on where the clinic will run on Tues. I'm personally hoping it's Alta Vista so I don't have to leave to fix our dinner! And as you arrive for your clinic, you can settle your horse in their stall instead of waiting until after your clinic ride at FCF.
