

Opening Date:
April 1, 2010

Closing Date:
May 12, 2010

**Midsouth Pony Club Region Presents
An Eventing Clinic with
Jim Graham and David Adamo**

**May 22 and 23, 2010
Percy Warner Park, Nashville, TN**

Jim Graham is a USPC Graduate A, a USEA Certified Level 4 ICP Instructor, a past US Equestrian Team selector, a current FEI "I" Judge, and a USEF "R" judge and TD. Riders who have had the opportunity to ride in one of Jim's prior clinics have given him rave reviews such as "best clinic I've ever attended" and "I would definitely love an opportunity to do this again".

Jim Graham and David Adamo will team up to teach our 2010 Midsouth Regional pony club eventing clinic in Tennessee in May. To learn more about them, visit <http://www.meadowrunfarm.com/>

David Adamo achieved his USPC Graduate A (at age 19, just 3 years after joining PC!) and last year became a USEA Level 3 ICP Instructor. David has been an FEI level eventer since 1998 and relocated from CA to AL to be closer to the east coast eventing action in his pursuit of the 2012 Olympics. David now works out of Meadow Run Farm with Jim. Gina Miles is one of David's more famous former working students.

Gymnastics and grid work on day one build the basics for XC on day two!

Regional clinics are a great way to build confidence for both the horse and rider and meet members from other clubs!

Plan to spend all day at the clinic so Jim & David can help you gain experience teaching and working with riders/horses from other groups.

Cross Country should put a smile on your face!

This clinic is offered to Midsouth Pony Club members rated at D3 and above (eventing). Note that regional eventing clinics require a higher level of rider independence and confidence riding in the open with groups of horses. Therefore, even though the clinic is open to D3 members, they are *not* recommended for new D3's.

Due to the generosity of our clinicians, host facility and Midsouth, the clinic fee has been set at only \$160 per horse/rider combination. Each ride group will be scheduled to ride in one 1.5-2 hour session (depending on group size) using stadium jumps on day one and one 1.5-2 hour XC group lesson on day two.

Limited onsite stabling is available at Percy Warner Park for no additional charge however stalls must be reserved in advance and stripped clean. Riders must bring their own bedding and a stall cleaning deposit of \$50 is required payable to MTPC. The floors are asphalt, so they require a minimum of 4 bags of shavings.

Clinic participation will be limited to 20 riders and filled based on order received. A wait list will be created for members entered after the 20 rider limit is reached and for Midsouth pony club adult volunteers. If the clinic is not yet full on the closing date, the wait listed adult rider pony club volunteers will be admitted into the clinic.

Members/parents should complete and send in the clinic entry directly to the clinic secretary:

Cheryl Parsons, 437 Whitten Ridge Road, Milton, WV 25541

Make your check payable to: **Midsouth.**

Entry status and clinic ride times will be posted on the REGIONAL CLINICS page of the www.midsouthponyclub.org web site. No checks will be deposited before the closing date and then only deposited if you were accepted into the clinic. If you have any questions, email clpdba@aol.com or call Cheryl Parsons at 304-634-5392. Email is the preferred method of communication – include member name and pony club in all of your email communications.

Please remember a veterinarian's health certificate within 30 days is required for horses traveling into Tennessee.

Midsouth Eventing Clinic Registration Form
With Jim Graham and David Adamo
Percy Warner Park, Nashville, TN
May 22 - 23, 2010
